

Dr. JoAnn Saunders is the **Executive Director of** Harmony District Foundation Incorporation, a mission-driven organization dedicated to empowering youth and families through education, community development, and equitable support services. With a strong background in program leadership, strategic planning, and nonprofit growth, Dr. Saunders has devoted her career to expanding opportunities for underserved communities. Additionally, she serves as **the Executive Director of Harmony District Development Group**, where she oversees organizational operations, business strategy, and growth initiatives. With a results-driven leadership style and deep experience in operational systems development, she leads high-impact projects that support workforce development, real estate advancement, and community-focused business solutions.

Dr. Saunders brings expertise in financial oversight, budgeting, business development, and project management, guiding the organization toward increased revenue and sustainable growth. She has successfully launched new ventures, expanded service offerings, and cultivated partnerships that strengthen both community and economic outcomes.

Her commitment to innovation and strategic execution drives HDFI and HDDG's mission to bridge community needs with profitable, scalable solutions. Dr. Saunders continues to shape the company's vision through collaboration, data-driven decisions, and a forward-thinking approach to leadership.
