

Keith Griffin Bio

Keith Griffin serves as a strategic advisor to Harmony District Foundation, where he guides partnership development and fundraising strategy for the Cleveland-based 501(c)(3) leading a phased mixed-use redevelopment in the Glenville and St. Clair corridor. Keith brings more than two decades of advisory experience working alongside co-founder Anthony “Krayzie Bone” Henderson, with deep expertise spanning business strategy, marketing, and brand development. His long-standing trusted relationship with Anthony and his command of brand positioning make him an essential voice in shaping how Harmony District engages institutional funders, corporate partners, and community stakeholders across Cleveland and beyond.
